Mr. Bill Annechini

Bill,

I wanted to send you this letter commending you and all of the people at Rhoads for the great job that you have done for us. We have contracted you for numerous projects over the years, and I can say that your reference stands unblemished. You have always been professional, flexible, and reliable; putting the needs of your clients before your own. You have always performed the work within the correct timescale and have been straightforward with scheduling and keeping us apprised of your upcoming workload, thus allowing us to meet our customer deadlines.

I highly recommend Rhoads as one of my major installers, and will continue to, for many years to come. You have our full support and any further query for information is welcome.

Thank you,

Jim Watkins
